

## **IX. Where to get help**

### **Academic Success Center**

The Academic Success Center is a free tutoring lab, located on the second floor of Medford Library. I will give you a handout with more information as soon as it's available (probably next week).

### **WileyPLUS Technical Support**

<http://www.wiley.com/college/fdoc/support.html>. You can contact them if you have trouble accessing your account or using WileyPLUS.

### **WileyPLUS Two-Minute Tutorials**

<http://www.wiley.com/college/fdoc/howto.html>. This website gives you information on the different features available on WileyPLUS.

### **WileyPLUS Student Solutions Manual and Study Guide**

Log in to WileyPLUS. Go to Read, Study and Practice. Choose the appropriate chapter. Scroll down.

### **Additional WileyPLUS Homework**

I provided some (hundreds of) additional problems on WileyPLUS. You will **not** receive any credit for completing these. However, some of you will find that you need the extra practice in order to better prepare for the tests.

### **Office Hours**

You are always welcome to come to my office hours. You can also make an appointment to meet at some other mutually-convenient time.
